

PROPOSAL

XRT850 Electric

FEATURES & BENEFITS

- Rustproof twin I-beam welded aluminum frame for long life and good resale value
- 48-volt electric system with six 8-volt PowerDrive Batteries
- Your choice of a fixed aluminum cargo box or a fold-down rear-facing, two-passenger seat that converts into a carrying bed
- A deluxe brush guard and stout bumper to protect the body as well as a rear differential guard, all at no additional charge
- A spacious bench seat with ample leg room as well as cup holders and a sport steering wheel for added comfort
- Safety features such as halogen headlights and reverse warning indicator
- A great selection of options and accessories, including a canopy top, windshield, fold-down rear seat and custom colors
- Standard colors red or green
- Optional colors classic blue, metallic silver, black or camouflage
- A two-year consumer warranty, the best in the industry
